Dease Lake Fire Chief

The Regional District of Kitimat-Stikine is pleased to announce Rick Mroch has accepted the position of Fire Chief for the Dease Lake Volunteer Fire Department. Rick brings previous experience in the fire service and community leadership to the position.

This is a first step towards reinstating fire service for the community of Dease Lake. As Fire Chief, Rick will play an integral roll in recruitment, training, and mentorship. Since the October community meeting there have been 17 applicants to join the Dease Lake Volunteer Fire Department. Weekly practices are ongoing and applicants will begin more intensive training in the new year. A community meeting will be held early in 2023 to provide a more fulsome update.
